INTERNSHIP OFFER LETTER

Date :- 29/10/25

Dear Asmita Kayande   ,

Congratulations! We are pleased to offer you the position of Machine Learning Intern at Certify Technology. We appreciate your interest and skills in machine learning and are excited to collaborate with you on this project-based internship.

As a Machine Learning Intern, your primary responsibility will be to develop and complete the assigned project as per the provided requirements. You will be expected to work on data preprocessing, model training, and evaluation, implement ML algorithms, and optimize models to ensure accuracy and efficiency. This internship will provide hands-on experience in real-world AI/ML applications and best practices in machine learning.

Internship Details:
- Position: Machine Learning Developer Intern
- Duration: 01/11/2025 – 01/12/2025
- Location: Remote Internship
- Stipend: This is an unpaid internship.

We are excited to have you with us and look forward to working together.

Best Regards,
Certify Technology
